Moov Spirit 300

Perfectly formed. Powerful features.

Also available with Western European maps.

The Moov Spirit 300 series packs so much innovation inside its slender form. Framed with a soft curved edge, the new TruMap™ views look sharp and bright on the pixel-perfect 3.5" screen. Powered by Mio's pioneering new Spirit software, the Spirit 300's fun to use Slide Touch™ operation gives you easy access to groundbreaking features, including Explore Mode, Wcities Travel Books and Walking Mode maps. 3D Junction Views and Lane Guidance make navigating busy roads easier and NavPix™ photo navigation helps you find and build a travel diary of your favourite trips and hotspots. Plus, enjoy all of the features above with the added benefit of real-time Traffic.
